Contact Numbers and Community Information

Following is a list of the mechanical subcontractors employed in the construction of your home. These are some of the firms that will service your home during and, if you choose, beyond the term of your warranty. For your convenience, we have also included contact numbers for public utilities serving Jamestown and other useful contact information.

When calling a mechanical contractor for warranty or other service, please keep in mind that, as a homeowner, it is your responsibility to ensure that the problem you are reporting is not caused by homeowner action, oversight, or carelessness (e.g., tripped GFCI or electrical circuit breaker, burnt-out light bulb, dirty HVAC filter, etc.).

Service dispatches to correct or repair problems resulting from homeowner actions or as a result of a homeowner who fails to fulfill the homeowner responsibilities detailed in the homeowner manual are not covered by the warranty and may result in a billable service call for which the homeowner will be responsible to pay. The service departments of the respective subcontractors will assist you to determine if you have met your responsibilities if needed. And, of course, we encourage you to contact your builder or The Providence Group Homeowner Services Department if you are uncertain or have questions the vendor does not or cannot answer satisfactorily.

IMPORTANT HOMEOWNER NOTICE

At time of closing, all basic household utilities - electric power, natural gas, water, and sewer - will be operating in your home under a *temporary service account* we have established with each utility company. At closing you will be given a list of these utility companies. Immediately after closing, we will notify the respective utility companies that the home sale has closed and instruct them to terminate service billed to the temporary service account effective the sixth (6th) business day after closing. As the new homeowner, it is your responsibility to contact each of the utility companies to establish a new account to which you may transfer service within five (5) business days from closing.

Please attend to this matter promptly to ensure that your utility services are not interrupted.

Home Exterior Additions, Changes or Modifications

Before making any additions, changes or modifications to the exterior of your home that are not explicitly prohibited by HOA restrictions, please submit a written request for approval to the attention of Laura Lazar at Eagle Management Services before proceeding. Your request will be reviewed and a written reply either approving or denying your request will be returned to you as quickly as possible. Please allow 30 days for review and reply.

Garbage Collection and Trash Recycling

Your garbage collection fee is included in your homeowner association dues. Your garbage collection contractor is Capital Waste. Please call Capital Waste at 770-640-5088 to activate your garbage collection service. Scheduled garbage collection in Jamestown is on Wednesday. Please place your garbage and recycle containers at the curb by 7:00 a.m. each Wednesday to ensure pick-up.

Resident and Guest Parking

Parking is permitted within garages and on driveways. Guest parking spaces are available but continuous 24 hour parking is prohibited.

Pets

Pet ownership is allowed but limited so please familiarize yourself with the terms of pet ownership in the condominium documents. Please be aware that the community rules and regulations require that pets must be secured by leash or similar restraint when in the common areas and residents are expected to pick up after their pets. Pets are not allowed in the pool area.

Entrance Gates

Jamestown entry and exit are controlled by an automatic gate system. At closing you will be given a remote gate opener as well as a key to enable you to open the gates manually should the power fail or the gate system malfunction. The system also enables you to remotely open the gate for guests. Remote operation of the gate for guest access from your home will require a telephone with a local ten digit telephone number (cellular or wired landline). At your request, your builder will explain the gate operation and associated telephone requirements in detail.

Exterior Entry Door Keys

At closing you will receive a set of keys for your home's exterior doors. Please test every key in each of your exterior door locks as soon after closing as possible. Should you have difficulty with your keys or exterior door locks, please call your builder or notify the TPG Homeowner Services Department at one of the following:
